Swansea, MA 02777

January 24, 2026

Dear

MSSA#

On behalf of the MSSA Board of Directors, welcome to the 2026 shooting season!

We were pleased see our active Association membership MORE THAN DOUBLE in 2025 and that growth was roughly evenly split between new shooters and returning members so welcome, and welcome back!

First and foremost, we wish to thank all the Sponsors for the 2025 Massachusetts State Shoot held at Ludlow Fish & Game Club August 22nd through the 24th. Without you, we would not have the awards, prizes, dinner and refreshments we are able to offer our shooters so on behalf of the MSSA BOD and our entire membership, we send our sincere thanks. Please see a list of our Sponsors on page 3.

We also want to extend our thanks to Andy Dutko and the phenomenal team at Ludlow Fish & Game for hosting a very successful MSSA State Shoot! The fields, targets, dinner and festivities were outstanding! And special thanks to Patrick Duthely who courageously managed the cage duties, administration and awards etc. nearly single handedly!

Finally, congratulations to our MSSA State Champions for 2025:

Doubles: Connor Ball
12 Gauge: Kyle Peach
20 Gauge: Mike Estep
28 Gauge: Kyle Peach
410 Bore: Kyle Peach
HOA: Kyle Peach

Beyond your annual MSSA dues of \$40 for 2026, please consider becoming a State Shoot Sponsor to help support our 2026 State Shoot which will be held August 21st through 23rd at Minute Man Sportsmen's Club. Sponsorship levels start at \$25 and are detailed on page 2.

For the past several years, in addition to the electronic program for the shoot which features advertisement from sponsors, we have produced a State Shoot T-shirt featuring logo graphics and/or names of each sponsor and booster. Each donor receives a free T-shirt and a limited supply will be sold at the venue for \$30 each.

Also, the Durand/Farley/Haywood Fund supports Massachusetts resident Youth Skeet Shooters. Through the DFH Fund, the MSSA will continue to sponsor Massachusetts Junior shooters who wish to attend the Junior World Skeet Shoot each July and will also provide sponsorship to Massachusetts registered skeet shooting events at participating Member Clubs. Please consider supporting the Duran/Farley/Haywood fund with a donation.

Thank you and we look forward to seeing you on the skeet field.
